

PAR CONTRE

2018 Gamay Noir

2018 GAMAY NOIR

Par contre, on the other hand, is a balancing act.
Rather than trying to control the chaos surrounding us all,
we can choose to embrace it's wild energy.
Our par contre Gamay is an attempt to harness the wild life
that sometimes consumes us.

Made in a classical style, our Gamay brings juiciness and
freshness with a bright tart acidity.
